〜	listview-icon-template-b.png
〜	listview-icon-arrow.png

Content in each row is vertically centered

a A]	#ffffff 18

Header Text is auto capitalized

a A]	#ffffff 35
a A]	#dcdcdc 16

〜	listview-fader-row.png or
〜	listview-fader-row-highlight.png

Needs to be stretched vertically

a A	#ffffff 24

|	
〜	listview-fader-bottom.png

Needs to be stretched horizontally

Big listviews can have in each row upto 3 colums: Icon column, Text column, Arrow/Info collumn.

Icon column should only have an icon in it. Text column should have one or two rows of text. Arrow/Info collumn should have either the arrow icon or a text (like remaining time).

Row column size is dependant on it's content plus spacing.
