For the lists and timepicker see relevant specs

A] 32pt/24u
a*aa* demi-bold (63)
a*aa* light (25)
A] 40pt/30u

a*aa* bold (75)
A] 40pt/30u

If time selection is also needed, once the user clicks on a date, a new pane appears from the right, allowing however to go back for corrections.
